

NEW

Introducing  
**FLIP-N-KLIP  
LOCKING SPRINGS**

**NO HOUSING  
REQUIRED**  
Repositionable driver j-box included

The HLA Super Adjustable Canless LED Gimbal simplifies installation by mounting directly to drywall or suspended ceilings without the need for a recessed housing or additional junction box, saving time and money.

The revolutionary **Flip-N-Klip Locking Springs** prevent painful spring snap making installation faster, easier, and safer. The HLA Series features 5 field-selectable color temperature options, and the gimbal tilts up to 90° for ultimate aiming and control. Designed to match the look and dimensions of our best-selling HLB Series, HLAs are perfect for accent lighting and task lighting applications.
