Highly Configurable, Zero Uplight Design.

Avenaire combines architectural style and unmatched performance for downtowns, residential streets, parks and campuses. Its zero uplight design eliminates skyglow and supports dark sky initiatives. With discrete LEDs for precise optical distributions, or Wavestream optics for pedestrian visual comfort, Avenaire delivers beauty, performance, and value for your community.

Features and benefits

- Heavy-duty cast aluminum housing with removable door
- Tool-less access to wiring compartment and field serviceable components via a single stainless steel quarter turn fastener
- Dark-sky friendly full cut-off luminarie with zero uplight in all configurations
- Hundreds of aesthetic configurations to match a wide range of architectural styles
- 8 discrete & 4 wavestream optical distributions offering a selection between discrete arrays or visual comfort
- Precision optics deliver maximum efficacy and coverage with low cost of ownership
