a @ignify business

# Distinctive beauty, smart design

The Epic pendant luminaire enhances its surroundings with a wide array of stunning dayform configurations. Combining adaptable aesthetics with easy installation and maintenance, Epic's thoughtful, inspired design will delight architects, installers and residents wherever it is used.

Designed with Utility customers in mind, the fixture comes standard with a terminal block and Tall Housing models feature an easy-access center section. Here, selected key components including photocell, surge protectors and field dimming controllers can be easily serviced.

## Features and benefits

- Heavy gauge precision spun aluminum shades offer superior surface finish and consistency in form
- Features cast aluminum top housing that attaches to cast aluminum mounting arm hub with 4 fasteners for ease of install
- Tall fixture configurations feature a field serviceable center section allowing on-pole access to surge module, PCR, and FADC
- 18 different housing, shade, and trim combinations to meet a wide array of aesthetic preferences
- Extensive selection of compatible mounting arm accessories to support various lighting design needs.
- 8 discrete & 5 wavestream optical distributions offering a selection between discrete arrays or visual comfort
- Precision optics deliver maximum efficacy and coverage with low cost of ownership
