Classic look cutting-edge performance

The Fairfax luminaire is the ideal decorative streetlight for downtown areas, residential streets and parks. A timeless dayform complements and enhances surrounding architecture, while a state-of-the-art molded refractor delivers superior pedestrian and streetlighting.

Features and benefits

- Heavy-duty die-cast housing
- High-performance Type III and Type V refractor optics
- Internal Uplight Reflector controls light pollution without impacting usable delivered light
- Up to 15,000 lumens of output in 5 different color temperatures
- Surge protection options up to 20 kV
- Internally-mounted 3-pin or 7-pin receptacles for photocells or networked lighting controls
- DALI and D4i driver options
- Easy to handle and install at only 25 lbs
