For use with L3756.

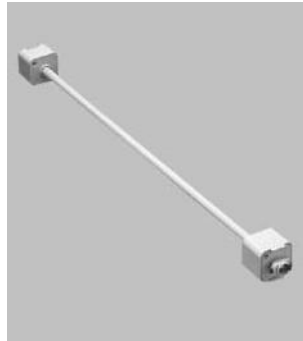

**Color Code:** MB

### L1967PF Perforated Barn Door Shutters

For use with L3703, L3705, L4007 (Requires LCS4007) and L4008 (Requires LCS4008).

## TRAC ACCESSORIES

### L918, L936, L948 Extension Wands

For use with most lampholders (excluding those with integral electronic transformers, HID lampholders or some Para Trac [L3218, L3232, L3239] lampholders) and trac. May also be used with L2001 Solid State Adapter, L967 or L968 Switches or, with L963, in 4 Circuit Trac.

L918-18" length; L936-36" length; L948-48" length.

**Color codes:** P, MB

## TRAC ACCESSORIES

### L917 Slope Adapters

Allows use of extension wands on sloped or cathedral ceilings. 0°-90°.

**Color codes:** P, MB

**Max Extension:** 4 3/4" (121mm)

### L956 Showroom Fixture Adapter

*Note: Single Circuit only*

Allows canopy mounted fixture (chandelier, etc.) to be suspended from track. Will hold up to 35 lbs. Can be switched on and off via track or by pull chain on adapter.

**Color code:** P

### L972 C Clamp Adapter

Can be mounted on pipe up to 2" dia. or any flat protruding surface. Complete with 6' 3-wire cord with 3-prong grounded plug. Not for use with any solid state/electronic low voltage fixtures, HID lampholders or limited Para-Trac (L3218, L3232, L3239) lampholders.

**Color code:** MB

### L973 Canopy Adapter

Mounts permanently to outlet box. 4 1/2" sq. allows a lampholder to 500W maximum to be converted to canopy installation. Not for use with any solid state/electronic low voltage fixtures, HID lampholders or limited Para-Trac (L3218, L3232, L3239) lampholders.

**Color codes:** P, MB
