Security made easy by design.

The Caretaker™ LED area luminaire combines high performance, low maintenance and easy installation in a simple, extremely economic package that has been designed for years of worry-free operation. The Caretaker luminaire is ideal for pole or wall mounted security lighting, residential street lighting, perimeter area lighting, parking areas, loading platforms, boat docks, access drives or pathways.

Features and benefits:

- Single heavy-duty die-cast housing for durability and low maintenance in security lighting applications
- Universal wall and wood pole mount bracket for ease of installation and numerous applications
- Integral slipfitter for mounting to pipe arm for versatility in mounting configuration
- Precision molded optic designed to shape the distribution allowing maximum efficiency and application coverage
- Energy and maintenance savings up to 89% compared to HID
- Integrated light shield for full-cutoff compliance to eliminate light pollution
- 3-PIN NEMA twistlock photocontrol provides automatic dusk-to-dawn operation for maximum energy savings
- 6kV integral surge protection protects drivers and LED components
